M. S. N. Freshman Wins Over Olive Hill Varsity Loses To Morris - Harvey

Much Heavier Team Wins by 81 to 0; Local Boys Fight Game Battle

The Bald Eagles journeyed to Barboursville, W. Va., Saturday, Oct. 7, and met defeat at the hands of Morris-Harvey College. The team was outwitted and had to fight against many hardships. Morris-Harvey outplayed our team thirty punts to the man and played a mean game. Numerous penalties were given to Morris-Harvey, but their object was a success, for they had three men picked to watch and knock out of the game. Morehead entered the game with only three of last year's eleven and eight new, yet they won. Before the end of the first quarter these men were being unmercifully ruffed and were watched by Morris-Harvey's coach, Clayton. In the backfield, did some good running with the ball, while Bates and Clay Allen held the line to short gains. At 81 to 0.

At the end of the half these three were badly shaken and trained, but fought on in a clean sportsmanlike manner. The score was 25 to 0 at the beginning of the third quarter and Morehead started to have passes which meant a score or an overwhelming defeat. Our boys are small and must depend on the over head attack, and the boys shot during passes into Morris-Harvey's backfield and put a score into their fans when three consecutive punts were completed that gained thirty-five yards. The attack was checked when a Morris-Harvey back intercepted a punt and ran for a touchdown. From that period they scored on their passes and our mistakes. Our boys deserve a world of credit for they fought to the last minute and never once in the game let down. The final score was Allen held the line to short gains. At 81 to 0.

Freshmen Take Opener at Olive Hill; Final Count Is 30 to 0

The Morehead Freshmen football team journeyed to Olive Hill last Tuesday afternoon and defeated the high school, 30 to 0. The boys played a clean, heady game and was out to even the defeat of the Varsity on Saturday at Barboursville, W. Va. David Nickell, acting captain of the freshmen, showed good judgment in

running the play, while Priestard carried the ball when ground was needed. The Olive Hill team is coached by a former student and star athlete, Hubert Counts. His men are new to the game, but are very willing and tackle hard. The Olive Hill boys are planning to see every game the Bald Eagles play at home this season.

FOOTBALL

Kicks and cuts, blows and bruises, the daily lot of the man who is a representative against our fellow colleges this year. It is not all pure pleasure to find a ball bouncing one's way; neither does it add to the joy of life to be mistaken for the

bull. Yet such is the common experience of our squad, who, undisturbed and with the utmost zest, give of their best for the school, whose welfare is good to the man who has at heart. Surely we who can not make the team, who have not the privilege of seeing Coach Downing's "red don't" we can do our bit by giving our whole hearted support to the boys who will win or lose. "Play the game for M. S. N."

"Y" Discussions Convention Plans

Plans for the State Convention of the Y. M. C. A. to be held at Morehead, December 2, 3 and 4, were discussed at a meeting of the Student Council held in Lexington, Friday afternoon and evening. Representatives from the University of Kentucky and Morehead State Normal School and Teachers College were present at the meeting.

Reports of the progress made in M. S. N. work this fall were made by the representatives of the various colleges and the problems concerning the various organizations were freely discussed. The most serious problem facing the organization in different schools is that of finance and means of raising such were brought before the meeting.

Mr. W. C. Carter, of Centre, was selected as delegate from this state to attend the National Council of the Y. M. C. A. at New York. A meeting of the Student Council will be held in the first part of November at which definite plans will be made for the State Convention at Morehead.

Those from this school who attended the meeting were Mr. E. V. Helms, President, Mr. H. C. Hagen, Mr. A. D. Roberts, president of the local "Y," and John R. Carter.

Miss Mabel Schuster left Friday for a visit to her home in St. Sterling. Miss Julia Johnson is also visiting in St. Sterling.

The student body and others brought out the splendid spirit in the town for the country people and backing up the normal school work. The catalog was financed by advertising of the merchants.

FOOTBALL GAME TODAY

School will be dismissed this afternoon in time for everyone to see the game. There is no excuse for the student body not coming out. Admission free to students!

MRS. SNEDEGAR NAMES PAPER

The infant has been named. And such a name, original, clever, full of meaning. "The More-Head Light."

Our of the hundreds of names submitted for the new Morehead Normal students' paper, the name More-Head Light was selected by the judges and original, the name that stood out and carried its message, at the same time having the necessary connection with the school.

The name submitted by Mrs. Pickett M. Snedegar, of Morehead. Mrs. Snedegar is a sophomore in the college department of the school. The five-dollar prize was unanimously awarded to her.

A drawing is being made and a cut will be prepared for use at the heading of future issues of The More-Head Light.

The name in itself is setting us a high ideal toward which to work.

SCHOOL SPIRIT IS BETTER THAN "PEP"

Pep is enthusiasm, manufactured for the moment for the school. School spirit is a feeling that comes from the heart, born of the cheer leaders, brass bands, hand clapping, bays, hurrahs, and enthusiasm. It is the foundation upon which the cheer leader must have built, and ends with the last hurrah. It is temporary, selfish, artificial, insecure, faint-hearted, and a mere shift for something better. A band school can stir up enough pep to cheer a team. But the pep dies at the loss of the team.

School spirit, however, is enthusiasm, a lasting quality on two solid

TO CORRESPONDENCE STUDENTS OF SCHOOL

We think it is only fair to let you know that we are now accepting correspondence from Normal School and Teachers College, the University of Kentucky, the Eastern Kentucky State Normal School and Teachers College at Richmond, the Western Kentucky State Normal School and Teachers College at Bowling Green, and the Murray State Normal School and Teachers College at Murray. In a meeting held July 29, 1927, passed a resolution which sets into any these institutions accepting more than twelve hours of work done by correspondence or in Study

GET YOUR LYCEUM TICKETS!

Oh, boys! Lyceum numbers are coming soon, and students, it is a free. Some have been wondering when this part of our winter entertainment would begin. The first number will be on the evening of October 22. You'll find it more than an evening of entertainment that will be long remembered, following after this the Marketers will

be here Nov. 5. This is another offering of a "public lot of fun." It's time to get your dates made for there will be a grand party at the "Markets."

Tickets will be given out from the boxes after the day of Oct. 20 in the amount of the 21st or first advance. Be sure and get your ticket to regular admission will be charged at the door.

Prepping for Tilt With Rio Grande

The football squad is all barbed out on the field and Coach Downing is taking his Bald Eagles at a fast pace in preparation for the Rio Grande College game Oct. 25. Several new faces are seen in uniform and have added much strength to the squad. Coach Downing is giving the boys new plays and drilling them hard on the passing attacks, and end zone. Two or three boys are developing fast in punting, the pipeline, having passes for thirty and forty yards. Capt. Allen and Clayton are running in their old positions, while the others are being changed. Coach Downing is having trouble placing a boys to the best position. Let's work hard, team, and beat Rio Grande.

COMMUNITY FAIR BIG SUCCESS

The Morehead Community Fair, held in the Administration Building, Oct. 7 and 8, was another step forward in the advancement of Morehead county. The continued downpour of rain on Friday did not drown out the enthusiasm of the exhibitors and before the day was over ten rooms were occupied with some sort of an exhibit. There was about a 50 per cent increase in the number of exhibits in the various departments and in quality of the products shown was quite an improvement over last year. The rain, however, cut the attendance the first day, but a large young passed through the building Saturday and pronounced the fair a success and an improvement over last year.

The poultry department brought forth the most interesting exhibit. Thirteen varieties of birds were entered and he quality was above the average. This marked the first poultry show ever held in the county.

The holding of the Fair was only in losing pace with what is going on in many counties in eastern Kentucky. There are few counties in this part of the state which are not holding some kind of community fair to bring the people together and to bring about a better relationship between the farmer and merchant, patron and school.

It was a fine project to put on to instruct the students in the school to show that when they return to their respective communities similar work can be put on. The financing of the project was done by the merchants and citizens of Morehead, which shows the splendid community spirit in the town for the country people and backing up the normal school work. The catalog was financed by advertising of the merchants.

Dramatic Club to Present Comedy

The Dramatic Club met the night of Oct. 19, 1927. The play had been drawn up and was presented to the club. The first of which was that the name of the organization should be "The Rio City Dramatic Club." In honor of the school.

Y. W. Girls

Entertain

The girls of the Y. W. C. A. delightfully entertained all of the girls of the school at an informal social in Allie Young Hall on the evening of Oct. 14. The caterers of Allie Young Hall had been cleared for the occasion and was most beautifully decorated with flowers in keeping with the season of the year, which were furnished by Dean Chambers and Mrs. Janie Canfield.

Glasses and candles provided the entertainment during the evening and the spirit with which the girls entered into each aided much enjoyment to the occasion. Josephine Jefferson acted as director of the game while Virginia Baker furnished music on the piano. Prizes were awarded to Frieda Humphrey and Julia Peters, who were the winners of the contests.

During the latter part of the eve-

ning charming refreshments were served.

The social element of the Y. W. C. A. is but one of the three phases of the organization and the girls have already conducted a number of short party plans were made for a half hour of worship, Sunday afternoon in Allie Young Hall.

Art Department Draws Attention

MRS. NAOMI CLAYPOOL

Among the many exhibits which attracted much attention and favorable comment at the Morehead and Letcher County fair, held in the Administration building of the Morehead State Normal and Teachers College was that of art department, of which Mrs. Naomi Claypool was in charge. The various exhibits were artistically arranged which added much to the effectiveness of the display consisted of pine needle try baskets, hand painted pictures, leather purses, book ends and trays of various sorts.

Mrs. Claypool is deserving of much credit for the manner in which she conducted this department. While the greater part of the exhibit was the work of her pupils in the art department of the normal it was necessary that much time be spent in gathering this together as many of the things which were on display were sent from different parts of Kentucky. Mrs. Claypool also made several trips to various cities to secure work of her former pupils all of which added greatly to the success of the exhibit.

Y. W. Cabinet

Is Limited

The cabinet of the Y. W. has been rather limited thus far this year, consisting only of the president, vice-president, secretary and treasurer who were elected last spring for this year. These four have been holding weekly meetings. With the assistance of the cabinet the president has appointed the following chairmen for committees on who will now be included in the cabinet:

DRINK
—KOLA—
IN BOTTLES

Morehead Ice
and Bottling Co.

Marjaret Crumhorn, chairman of program committee.

Mrs. A. D. Roberts, chairman of committee on vespers.

Eileen Gall, chairman of committee on investigation.

Josephine Jeffers, chairman of social committee.

Good Meeting

The thirteenth annual state work dinner of the State Young Men's Christian Association of Kentucky was given by the managing board of State Y. M. C. A. at the Brown hotel, in Louisville, Thursday, Oct. 5.

A most excellent menu was served, consisting of the following:

Fresh fruit cocktail, chicken Maryland, corn fritters, potatoes au gratin, heart of lettuce, French dressing, neapolitan ice cream, assorted cakes, etc.

After the business report, we were favored with three delightful addresses from Messrs. Richard F. Cleveland, Baltimore, Md.; E. S. Lotzberger, Louisville, Ky., and Charles F. Tait II, Cincinnati, O., with Mr. L. L. Anderson, president State Y. M. C. A., presiding, and Dr. E. Y. Mullins, president Southern Baptist Theological Seminary, as moderator.

The presidents of the various Y. M. C. A. organizations, including our own president, received complimentary tickets to the dinner. Some four or five hundred were present and every one reported a wonderful time.

Representatives of the various associations of the State met on Friday, Oct. 7, in general conference and discussed important subjects concerning the current year's work. On account of the rain and fog, many of those coming in to listen to the world series, the meeting adjourned at noon.

Poor Old U. S.

A small boy was taken by his father to visit Congress. He was much interested in the chaplain, who always opened the session with prayer. Both in the Senate and in the House he had observed this procedure. Finally he asked:

"Papa, why does the minister come in every day and pray for Congress?"

"To get his oil wind up," replied his father. "The minister comes to every day, looks over Congress and then prays for the country.—Outlook

No Luck.

"I don't have much hope for my nephew at college," says J. Fuller

Gleason. "He failed to make the team, he failed to make the dramatic club, he failed to make his grades, he failed to make the glee club, he failed to make the right fraternity, and now he's failed in an attempt at suicide—Kansas City Star.

Prof. Haggan

Promoted Fair

PROF. H. C. HAGGAN

Prof. H. C. Haggan has promoted the fair for the past two years with the cooperation of the merchants and business men of the town. The department of agriculture not only serves the school, but the farmers of the community, and recently conducted three wine meetings in different sections of the county, where much good was done.
